

Joining IN Sports Subsidy Program

Brought to you by Highlands Community Centres

Who can apply and how...

Children's sport and recreation has such a positive impact on the community. Being part of a team, feeling healthy and having greater confidence are all great benefits of sport. In recognition of this, Highlands Community Centres have established the "JOINING IN" sports subsidy program. Financial contributions can be for sporting club fees or for uniforms and/or equipment.

Applicants can apply to Highlands Community Centres on their own behalf or can be nominated by their sports club or a community member. The amount given will be considered on a case by case basis and the families' ability to contribute to the costs. All information given on the Application Form will be kept strictly confidential.

Sports people participating in this program must be under the age of 18 years.
